DESCRIPTION

The Wall-Mounted Single Shade Screen is a sleek and efficient window display solution designed for high-impact visibility. This single-shade screen mounts effortlessly on walls, providing a clean, modern look while showcasing your content with vibrant clarity. Ideal for retail environments and digital signage, it ensures your messages stand out with its sharp resolution and elegant design. Its space-saving installation and effective performance make it a perfect choice for enhancing customer engagement and visual appeal. The Wall-Mounted Single Shade Screen combines elegance and efficiency, making it an ideal choice for high-impact window displays. Offered in 43, 49, 55, and 65 inches, it provides display areas of 945.8 x 533.8 mm, 1078.8 x 608.8 mm, 1213.8 x 684.8 mm, and 1432.8 x 807.8 mm. With a sharp 1080 x 1920 resolution and an impressive brightness of 2500 nits, this screen delivers vibrant, eye-catching visuals that stand out in any setting. Its sleek, wall-mounted design not only enhances visibility but also saves space, making it perfect for retail and digital signage applications.
