DIGITAL SIGNAGES

INDOOR DUAL SIDE STANDING KIOSK

The WEJHA Indoor Dual Side Standing Kiosk is a modern digital display solution designed to deliver content on both sides simultaneously, making it perfect for high-traffic indoor environments. With its sleek and space-efficient design, it allows businesses to capture attention from multiple directions, maximizing visibility and engagement. Ideal for locations such as shopping malls, showrooms, airports, and corporate spaces, this kiosk helps showcase advertisements, promotions, and important information in a clear and dynamic way. It offers a smart and professional approach to communication, enabling brands to connect with a wider audience while enhancing the overall visual experience of the space.

KEY FEATURES

ULTRA-HIGH DEFINITION CLARITY

Boasts a stunning 4K resolution (3840 x 2160) with 16.7 million colors, delivering crisp and lifelike visuals.

MODERN ANDROID ECOSYSTEM

Runs on the Android 13 operating system, providing a flexible and secure platform for various digital signage applications.

HIGH-PERFORMANCE PROCESSING

Equipped with powerful octa-core CPU architecture and a dedicated 3D GPU to ensure smooth content playback.

WIDE-ANGLE VISIBILITY

Features a broad 178° viewing angle to maintain image consistency from nearly any perspective.

INDUSTRIAL-GRADE RELIABILITY

Engineered for 24/7 continuous operation with a long-lasting backlight lifetime of 50,000 hours.

COMPREHENSIVE MEDIA SUPPORT

Natively supports a massive range of video, image, and audio formats, including H.265, PNG, and FLAC.
