DIGITAL SIGNAGES

COMMERCIAL SHELF DISPLAY

WEJHA Shelf Display transforms retail spaces into engaging digital communication zones, helping brands capture customer attention at the point of purchase. Designed for modern merchandising environments, it delivers impactful visual messaging that enhances product visibility and strengthens brand presence. Ideal for promotions, advertising, and in-store campaigns, the WEJHA Shelf Head Display creates a more dynamic and interactive shopping experience while supporting effective customer engagement.

KEY FEATURES

FULL HD DISPLAY

Enjoy crisp visuals with up to 3840×1080 resolution and vibrant 16.7 million colors. Wide viewing angles ensure clear visibility from every direction.

DURABLE 24/7 OPERATION

Designed for continuous use with a 24/7 operating capability and up to 50,000 hour lifespan. Perfect for businesses requiring dependable round-the-clock performance.

HIGH BRIGHTNESS PERFORMANCE

Delivers 300–350 nits brightness for sharp and vivid content presentation. Maintains excellent visibility in indoor commercial and public environments.

POWERFUL ANDROID PLATFORM

Powered by Rockchip processors with Android 13/14 OS for smooth and reliable operation. Supports seamless multimedia playback and smart content management.

EASY INSTALLATION & COMPLETE ACCESSORIES

Features a horizontal installation design with wide AC 110V–240V power compatibility. Includes power supply, cables, and remote control for quick deployment and setup.
